CONDITIONS OF SALE

The sale is held according to the laws of the City of New York by a licensed and bonded auctioneer. The terms of sale are strictly cash; title does not pass on any lot until payment has been made in full. The highest bidder shall be the buyer; the decision of the auctioneer will be final in all instances.

Persons unknown to the auctioneer are requested to make themselves known before the sale or remit a 25% deposit on the amount of bids submitted. Deposits not used will be immediately refunded. Every bidder is personally responsible for his purchases; bidders cannot claim to act for a third party.

No unlimited bids will be accepted, but lots will be purchased for customers unable to attend the sale and for mail bidders at the lowest possible price without charge or commission. The floor bidding will start at about 5% above the second highest mail bid and will proceed at reasonable advances above the previous bid until the lot is sold. Lots will be sent by registered mail within five days after the sale, postage to be paid by the buyer. Lots delivered in New York State are subject to the appropriate sales tax. Mail bids must be in the hands of the auctioneer three days before the first day of sale.

The authenticity of every item is unconditionally guaranteed. An auction sale is not an approval sale; no lots may be returned without the written permission of the auctioneer. No lots may be returned by floor bidders. Bids in writing or bids at the sale are taken to imply the acceptance of the above conditions of sale. The auctioneer cannot be responsible for bidder's errors. Please check your bid sheets carefully.
